Brownie Archaeologists

Become a Brownie archaeologist and complete three fun-packed challenges inspired by the archaeology interest badge!

During each adventure-filled session Brownies will:

- Develop archaeological skills and techniques through games and hands-on activities
- Investigate what objects can tell us about the people who left them behind
- Discover how different materials survive in the ground
- Take part in a mock excavation
- Meet an archaeologist and ask questions
- Handle real archaeological objects
- Explore how to use new knowledge creatively
- Find out how to get involved with local archaeology

At the end of each workshop, Brownies will be presented with a Bristol Museum Brownie Archaeologist certificate that records their achievements. This can be shared with leaders to contribute towards the new archaeology badge.

Cost: £6 per Brownie. Accompanying adults free.
